## HOT MOMMA MACARONI AND CHEESE

### INGREDIENTS

- 1 Box Kraft Macaroni and Cheese
- 1 tsp Hot Momma Seasoning, mild or fiery
- 1 Stick of Butter, softened
- $\frac{1}{2}$  Cup Milk

### DIRECTIONS

Boil pasta according to box directions. While pasta is cooking, mix softened butter and seasoning, trust me, this will make a difference! After pouring cooked pasta into strainer, use the pot to mix in the seasoned butter, milk, and cheese packet. When combined, pour the pasta back into the pot and mix thoroughly, coating all of the pasta. Salsalénté!
